4-H Council Meeting:

May 8th @ 4:30 pm

Scott County Extension Office

If you are looking to get involved in 4-H as a volunteer please reach out to the 4-H Agents for more information on getting started.

The 4-H Council is an advisory group made of community leaders, program volunteers, and 4-H Agents. The purpose is to bring attention to the needs of the youth in our community and develop programs accordingly. Volunteers will help by guiding the programming efforts through their knowledge of the county and assisting agents with fundraising efforts.

The 4-H Council is vitally important to the success of the Scott County 4-H program!
