JUNE

Welcome Ana!

Hello, my name is Ana Saunders and I am so excited to be an extension intern here in Scott County this summer. I am currently a rising senior at the University of Kentucky majoring in Agriculture Education with a double minoring in Animal Science and Plant & Soil Sciences. I am originally from Lexington, KY where I graduated Locust Trace Agriscience Center and Tates Creek High School. Growing up in a more suburban environment my passion for agriculture didn't foster until I attended high school and participated in agriculture classes and became highly active in FFA. During my time in high school, I was extremely active in my local FFA chapter, high school swim team, livestock showing, BETA club and National Honor Society. Throughout college I continued to be active in multiple different clubs and organizations at UK such as Alpha Gamma Delta Sorority, Agriculture Education Society, Collegiate Farm Bureau, and others. Over the course of my internship I will be active in all aspects of the extension office, helping out with livestock shows, county fair, 4-H camp, 4-H Teen Conference, farm visits and much more. One aspect of my internship I am very excited about is helping out with the livestock shows and county fair! These events are a great way to connect with the community and youth involved! Throughout high school I showed sheep through FFA and those were some of the best experiences I've ever had! I am super eager to learn more this summer within the extension office and would love to get to know y'all. I am so excited to be working with everyone in the Scott County Extension Office this summer, it's going to be a great one!
